

**Partner of German Business  
in international cooperation**

## Who we are

sequa gGmbH is a globally operating non-profit development organisation. Since 1991, sequa has carried out programmes and projects of international cooperation in close collaboration with the German private sector. Since its foundation, sequa has successfully implemented more than 1,500 projects and programmes in more than 100 countries. The organisation is based in Bonn, Germany.

## Our services

Our services include programme administration, project management and consultancy. We ensure high-quality project/programme development and management. This includes the design and impact-oriented implementation of projects and their proper administrative handling.

## Our partners

Thanks to a close and trusting cooperation with our partners, we achieve better and more sustainable results. sequa closely cooperates with chambers, business associations, training institutions and private enterprises from Germany, the EU and all over the world. With all these partners, we have been regularly collaborating for many years and can call on their expertise at any time.

## Focus of our work

The focus of our work is on private sector development. The promotion of a social and ecological market economy is our guiding principle. sequa's objective is to improve the livelihoods and working conditions of as many people as possible. sequa's key activities include capacity building for chambers and business associations, vocational education and training as well as trade promotion.

## Our clients

sequa acquires public funds from national and international donors to finance its projects and programmes. We ensure a high quality of project implementation. sequa's main clients are the German Federal Ministry for Economic Cooperation and Development (BMZ) and the European Commission.

## Our claim

The quality and efficiency of our work are important to us. At sequa, we have short decision-making processes, we communicate in an open and comprehensible way and we offer pragmatic solutions. We are guided by the following principles: contractual compliance, loyalty, respect, cooperation and responsibility. These are defined in our sequa Code of Business Conduct.

sequa's shareholders are Germany's top four business membership organisations BDA, BDI, DIHK and ZDH as well as GIZ.
