### Invitation to the kick-off conference of the ARCHIPELAGO programme

The European Commission, together with SEQUA, CPCCAF and EUROCHAMBRES, invite you to participate in the kick-off conference of the ARCHIPELAGO programme, to be held on

**Monday, December 10, 2018 from 9am to 7pm  
At the King Fahd Palace hotel, Dakar - Senegal**

ARCHIPELAGO is a 4-year European programme, funded by the European Union in the framework of the EU Emergency Trust Fund (EUTF) for Africa and whose main objective is to improve the employability of youth through targeted technical and vocational training measures, and strengthen the entrepreneurial skills of SMEs in 12 countries in the Sahel and Lake Chad region (Burkina Faso, Cameroon, Côte d'Ivoire, Gambia, Ghana, Guinea, Mali, Mauritania, Niger, Nigeria, Senegal, Chad).

The ARCHIPELAGO programme thus aims to support the creation of sustainable and decent job opportunities in West and Central Africa. As a result, it contributes to tackle the grievances arising from economic and social exclusion, marginalisation and inequality, usually considered as the most significant drivers of violence, radicalisation, forced displacement and irregular migration.

ARCHIPELAGO is based on the mobilization of African and European private sector organisations (chambers, business associations, training centers etc.). These key stakeholders will implement partnership projects, selected through calls for proposals and resulting in the implementation of vocational and entrepreneurial training activities oriented towards the local market's needs.

The launch of the ARCHIPELAGO programme in Dakar on 10 December 2018 will establish a significant synergy with the network of members of the Permanent Conference of African and Francophone Consular Chambers (CPCCAF), which will organize its Annual General Assembly on 11 and 12 December 2018 in Dakar.

The detailed programme of the ARCHIPELAGO kick-off conference is attached to this invitation. Any private sector organisation from Africa (in one of the 12 countries covered by the programme) and Europe that wishes to engage in vocational and entrepreneurial training projects is therefore invited to participate in the ARCHIPELAGO conference to discuss project opportunities. Similarly, private companies and national and international organizations concerned with the issue of private sector development and vocational and entrepreneurial training in Africa are invited to participate, to learn about the scope of the ARCHIPELAGO programme and to promote synergies and complementarities.
